Mobile App Notifications

Last year's mobile app was downloaded by more than 1,200 show attendees, and the app was used more than 34,000 times throughout the convention. Use a targeted app message to get in front of tech-savvy staffing professionals—before, during, and after the convention in Las Vegas.

Staffing World Website Banner Advertising

Staffingworld.net draws thousands of visitors each month as attendees register for the convention, check out exhibiting companies, and much more. Plus, strong web traffic continues long after the convention is over because participants follow up on session handouts, download event photos, check on exhibitor details following their on-site conversations, and start planning for 2020. A banner ad on the Staffing World website is an effective way to gain maximum exposure, increase name visibility, and maximize brand recognition. These website banners stay active before, during, and after the show—through Dec. 31, 2019.
