

Amplifying Sales Success: Foundational Skills Meet AI Innovation June 6, 2024, 2 p.m. Eastern Time

Brought to you by ASA's Industry Section.

AI:WHY NOW?

PRACTICAL USE CASES

AT A GLANCE

During this webinar, attendees will learn:

- How AI can help them master core sales skills
- How to identify and target highpotential prospects in the staffing sector to break through the noise and connect with key decisionmakers more effectively
- Ways to sharpen negotiation skills, closing techniques, and strategic thinking by utilizing ChatGPT in practice scenarios, empowering them to secure more deals and achieve outstanding sales results
