

Staffing Employee Turnover & DEI Trends

May 7, 2024, 2 p.m. Eastern Time

Brought to you by ASA's IDEA Group, engineering, IT, & scientific section, health care section, industrial section, office-administrative section, and professional-managerial section

CURRENT STATE OF STAFFING

2023 STAFFING STATE OF DEI

AT A GLANCE

During this webinar, attendees will learn:

- How employee turnover correlates with employee satisfaction
- Best practices for improving retention and promoting a culture of diversity, equity, and inclusion within staffing firms
- Which data points to measure and benchmarks to target so they can drive effective strategies for enhancing internal staff engagement and retention
